## Dr. Manfred Knof Named to Supervisory Board of pmOne AG

**Unterschleißheim, Germany. 13 July 2018** – pmOne, a leading provider of AI and big data solutions for large corporations and midsize companies, welcomes Dr. Manfred Knof as a member of the Supervisory Board. The 52-year-old former CEO of Allianz Deutschland AG will fill the seat of Dr. Simone Kämpfer, who has resigned to take a partnership at a large law firm. Kämpfer has been a member of the board since 2017.

"The Supervisory Board at pmOne has gained an extremely adept manager with Dr. Manfred Knof," commented Bernd Bischoff, Chairman of the Supervisory Board at pmOne AG. "His extensive experience will be of great benefit in positioning pmOne AG as a leader in AI and big data applications across Germany, Austria and Switzerland."

Bischoff also thanked Simone Kämpfer for her contributions. "Simone Kämpfer has done such valuable work in the past years," he continued. "On behalf of myself and my colleague Friedemann Kunz, I would like to express our sincere gratitude."
