## COMPANY SPOTLIGHT

Global, 5,000-person company in manufacturing and 5 other lines of business.

Previously did all their consolidation in JD Edwards.

**“A big, big win for the finance function”**

Karine Beaulieu  
Group Leader

## KEY RESULT

**98%** Faster consolidation calculations  
From 4 hours to 4 minutes

## THE NEED

- Growing, global company of diverse business groups
- Nearly 100 entities 15 currencies and 17 ERPs
- Manual, time-consuming, error-prone consolidation

## WHY FLUENCE

- Advanced, out-of-the-box functionality for complex needs
- A solution finance could set up, own and operate
- Structure and control for trusted, timely financials

## THE SUCCESS STORY

- Able to run multiple consolidations in a single day
- Finance is playing a more strategic, analytical role
- New acquisitions are added quickly and easily
